Pave the Way for the Orrville/Dalton YMCA...

Beautiful brick walkways have been installed at the Orrville and Dalton YMCA facilities for your enjoyment! We invite you to join many others who are creating a permanent memorial to their family, pet, or institution.

By purchasing one or more bricks, you will help us not only enhance a beautiful entry but also generate funds to help maintain the facility and equipment at both locations.

For just \$150, we will install the engraved bricks in the walkway to the front entrance of the building. Your selected name, business or organization will be engraved in black epoxy letters and will be legible from normal standing height.

HERE'S WHAT YOU DO:

1. Determine the name you want on your brick. It may be a family name, the name of someone you want to honor, or the name of your business or organization. Limit yourself to three lines. Each line should not exceed 12 characters. Use one character per box on the order form. Instead of using the word "and," use the symbol "&." Hyphens, spaces and punctuation also require space.
2. Fill your order form and mail it along with your check.
3. Everyone who enters the YMCA will see your personalized brick(s) in place and know that you had a part in this fine project.

YES! I want to help complete the way for the YMCA!
